

# 2 SCHUSS / 2 BAIGNE

## COMEDY SKETCHES

2 rescuers, either in a ski station or on the beach, give us good advice to better enjoy our snow/sun holidays with absurdity, mockery and humour: how to throw a snowball, pull in a ski-suit, dance in ski boots, combine naturism and skiing, avoid making noise with flip-flops, go out with a siren, get changed on the beach or get suntanned under the rain!

They are always willing to make fun of each other but obviously stay connected in case of hard blows...!
