## VARIETY GAME SHOW

*Stay Tuned!* is THE great variety game show inspired by the world of television providing live weekly entertainment! Each week, six invited artists, who shaped television and contributed to build our TV heritage, come together as two teams and confront each other in a friendly match spiced up with past footage for the amusement of all.

The artists perform all kinds of games, such as imitating TV celebrities, miming, dubbing a soap opera, or singing old jingles. Their knowledge of pop culture is challenged, leading to unique and unexpected moments each and every time.

Every show is a real happening with singers, dancers, costumes and past footage.
