

# HEAVENLY DAD

FAMILY COMEDY

*Heavenly Dad* depicts the lives of an average “extended” family. The father of two families, a song writer whose career was on the decline when still of this world, has since passed away. He is however very much part of the action and is still alive and kicking when it comes to commenting - as a voice over - the daily life of his ex-wives and siblings. Cynical humour and derision are the explosive cocktail of this mini comedy drama.

- Possibility of 26 x 26' or 13 x 52'
