

KAAMELOTT

MEDIEVAL COMEDY SERIES

The humoristic interpretation of the legend of King Arthur and his Knights of the Round Table immerses viewers into reality behind the myth. Based on the historical distortion between the legend of King Arthur and contemporary acting styles and off beat "street" language, it successfully sets in opposition the epic visuals of the myth and our 21st century preoccupations and lifestyle.

- Shot in HD
- Possibility of 26'
- Broadcast daily on M6 at 8:40pm and on Saturdays at 6.40pm
