*25 local adaptations worldwide!*

More than just a TV show, this office board comedy series has become a reference in the short comedy genre. Caméra Café is still attracting new fans worldwide and its clever satire and quirky characters get more familiar to viewers every day. Already number 1 comedy show in France and highest rating primetime show on TV channel M6, Caméra Café has yet much more to offer.

Seen through the unusual lens of a coffee machine, a small team of stereotypical office staff come together to recount with great humour events going on in their everyday lives.

*Holy Grail!*

Kaamelott delves into what's hidden behind the bright Legend of King Arthur and his Knights of the Round Table: the comic motivation for the series relies on the opposition between the grandeur of the Arthurian legend and its hypothetical mediocrity in truth.

In other words, the humoristic interpretation of the legend makes viewers dive into reality behind the myth.

# Women!

5 seasons – 400 x 2' | 2010–2016 | HD

## *Irreverent women spoof series*

Women! is a situation comedy made up of sketches of varying lengths (from 20 seconds to 3 minutes) formatted to either 6 or 26 minute sequences.

The image of today's woman conveyed by the media is icy, glamorous, polished and sensual. She must make us dream, fantasize, buy. The language assigned to her is formatted and "agreed upon" by the consensus. In a humorous light vein, Women! attempts to explode those codes so as better to denounce them.

ORIGINAL TITLE: VOUS LES FEMMES  
Broadcast on TEVA and M6

### **A successful format:**

Broadcast on France 4

# Off Prime

24 x 26' | 2007 | HD

Off Prime is a comedy series that relates the "almost real" life of Virginie Efira, outside of the French television studios where she is a hit TV host. We discover a "Virginie" who is never afraid of looking ridiculous and who often gets into uncomfortable situations, both with her friends and in her professional relations.

While her fans think she leads the life of a star, offstage Virginie is actually a rather normal person who shares an apartment with a small group of friends who are all a bit lost.

ORIGINAL TITLE: OFF PRIME  
Broadcast on M6

# Heavenly Dad

100 x 7' | 2004 | HD

Heavenly Dad depicts the lives of an average "extended" family.

The father of two families, a song writer whose career was on the decline when still of this world, has since passed away. He is however very much part of the action and is still alive and kicking when it comes to commenting -as a voice over- the daily life of his ex-wives and siblings. Cynical humour and derision are the explosive cocktail of this mini comedy drama.

# Bloodhounds

6 x 52' | 2013 | HD

*More than police work: a hunt*

Bloodhounds is an action-packed police series in which the investigation – a classic “Whodunit” – revolves around a manhunt. The heroes of this series are the members of a special unit of hunters, who intervene as soon as an arrest warrant is issued in France. Many of these warrants are for suspects, presumed perpetrators or crucial witnesses in on-going criminal investigations. Each time, these fugitives represent the missing piece in a puzzle that our investigators have to complete in order to solve the case and accomplish their mission.

# Alive

1 x 90' | 2022 | HD

ALIVE is not an animal documentary but a story about everything that lives and acts around us. From the tiniest life form to the largest, species and their actions constitute an infinite number of wonderful adventures in which we must take part. The elements are interconnected, interdependent and symbiotic, and there is an urgent need to tell the story.

The ecosystem that surrounds us is threatened by our way of life. The film is an attempt to reconnect us to our natural environment and ensure a more serene future.

ORIGINAL TITLE: VIVANT  
Broadcast on France 2

A film also built partly thanks to the images sent by the enthusiasts who work for it: to be discovered in a 52' following ALIVE.

# Legacy

1 x 100' | 2021 | HD

English version narrated by STING

Ten years after HOME, Yann Arthus-Bertrand returns with LEGACY, a powerful cry from the heart. In it, he shares a sensitive and radical vision of our world, which he has seen deteriorate over the course of a generation, and reveals a suffering planet, a disoriented humanity incapable of taking seriously the threat that weighs on it and on all living beings.

For the director, there is a sense of urgency: everyone can and must make strong gestures for the planet, the future of our children...

ORIGINAL TITLE: LEGACY, NOTRE HÉRITAGE  
Broadcast on M6

# Egypt from Above

1 x 90' | 2019 | HD/4K

Egypt From Above is the first film to be shot exclusively from helicopter in 4K format, showing the marvels of this unique country. Cradle and heir of the first civilisations, Egypt still fascinates by its illustrious figures, pyramids, sarcophagus, and its emblematic river, The Nile.

Meeting land between Asia, Africa and Europe, Egypt enjoys an exceptional geographical diversity that we will reveal from a new perspective. Egypt from Above is a geographical and human fresco, discovering a world shaped by the environment and natural resources, as well as facing new challenges of the modern age...

ORIGINAL TITLE: L'ÉGYPTE VUE DU CIEL  
Broadcast on France 2

# Morocco

1 x 90' | 2017 | HD/4K

Morocco is a high-end premium documentary of Yann Arthus-Bertrand on Morocco, shot exclusively from the sky. Just like Mediterranean prime time in June 2014 on France 2, this documentary makes us discover that wonderful country from a brand new point of view, on the occasion of the COP22 (November 2016).

Morocco is a gigantic fresco, elaborated around a trip among the flagship sites of the country. This travel goes through history, territories and humanities to draw an accurate portrayal.

ORIGINAL TITLE: LE MAROC VU DU CIEL  
Broadcast on France 2

# Terra

1 x 90' | 2015 | HD

Can we imagine a film that could change the way mankind looks at the animal kingdom? A film that could make mankind re-evaluate itself? A film that is a veritable ode to the beauty of the world in which we live?

This is the challenge behind this cinematic adventure conceived by Yann Arthus Bertrand and Michel Pitiot assisted by a team of wildlife film-makers from around the world, brought together for the first time to tackle a fundamental question : what could life be like, for us all together, tomorrow?

ORIGINAL TITLE: TERRA  
Broadcast on France 2 and Netflix

# Algeria from Above

1 x 90' | 2015 | HD

Algeria from above is the first documentary shot of Algeria exclusively from the sky. Through the eyes of Yann Arthus-Bertrand, we are introduced to this grandiose country, its cultural and natural wealth, in entirely new ways.

From the North to the South and the West to the East, we are shown a glimpse of an entire population's daily life, whether it be in the large coastal cities, the mountains of the Atlas, the oasis of the Sahara or the soft hills of the Sahel.

ORIGINAL TITLE: L'ALGÉRIE VUE DU CIEL  
Broadcast on France 2

# Mediterranean

1 x 90' | 2014 | HD

The Mediterranean is not a sea. It is a world, surrounded by deserts, made of high mountains bordered by narrow plains and estuaries. And in the middle of these lands, is the "Mediterranean". This part of the world has been the cradle of a human civilization that today has a global influence. It is also the birthplace of three major religions. The scene of the planet's most notable social, cultural and human fracture, while being the world's most densely populated region. The film is not concerned with a mere inventory of human battles and strife, but takes us on an aerial journey

ORIGINAL TITLE: MÉDITERRANÉE, NOTRE MER À TOUS  
Broadcast on France 2 (3,4 M viewers and 14,7% market share)

# A Thirsty World

1 x 90' | 2012 | HD

This film reveals the mysterious and fascinating world of fresh water, thanks to spectacular aerial footage, and interviews filmed in more than 20 countries among which some are difficult to access and rarely filmed, such as South Sudan or Northern Congo.

Engaging individuals, whether internationally recognized or simple front-line players, light up the film with their energy and enthusiasm. Their goal is to guarantee decent living conditions for the 7 billion human beings living on the planet today and the 10 billion who will live on it tomorrow.

ORIGINAL TITLE: LA SOIF DU MONDE

Broadcast on France 2

A film represented during the World Water Forum 2012 in Marseille

# Planet Ocean

1 x 90' | 2012 | HD

Planet Ocean is a plea for humanity to respect the world in which we live in. Thanks to its astonishing aerial photography signed by the award - winner photograph and director, Yann Arthus-Bertrand, and award winners underwater cameramen, the film takes us on a magnificent and unprecedented journey into the heart of the least known regions of our planet.

ORIGINAL TITLE: PLANÈTE OCÉAN  
Broadcast on France 2  
Winner of best cinematography at Blue Ocean Film Festival

# Bangladesh

1 x 30' | 2015 | HD

While traveling through Bangladesh, from the Southern Bengal's bay to the "Chars"-those Northern precarious Islands-, through Dacca or Chittagong -the largest Graveyard in the world-, this short documentary directed by Yann Arthus-Bertrand features the country's crucial fight against climate change.

It is the largest delta in the world... And it is a country. Its name is Bangladesh. Almost three hundred watercourses pass through Bangladesh.
